APPEAL

We are passing through a tough time due to Covid – 19 Pandemic which is still not over. At such a time University is open in physical mode, taking all the precautions against Covid- 19. After admission, the accommodation of students is a problem that we all are determined to remove.

The office of the Dean, Students' Welfare is much concerned with the difficulties students are facing. In this difficult time we are with our students and working 24X7 to help them. We are also helping the students and suggesting in finding out proper and safe accommodation. We assure our students to help in all possible ways.

The Office of the Dean, Students Welfare also appeals to all our faculties, concerned Heads, Deans and other officials and request them to extend the required help to our students.
