## Heartfelt greetings !

It gives me immense pleasure to present the Annual Report of Central University of South Bihar (CUSB) for the period 1st April, 2018 to 31st March, 2019. This edition of Annual Report is special as the University has completed 10 years journey 2019. Established in the year 2009 under Central Universities Act, the University started its journey from two rooms at Hindi Bhawan in Patna and later started its academic activities from rented premises at BIT Campus in Patna. Since then the growth and development of the University somehow remained upright and today we are functioning from 300 acres campus at Panchanpur in Gaya. I feel delighted to share that the University is offering quality education to students and ensuring a bright prospective for them.

Let me specifically mention here that Hon'ble President of India, in his capacity as the Visitor appointed Dr. C. P. Thakur as Chancellor on March 1, 2019. Dr. Thakur, Member of Parliament, Rajya Sabha was warm-heartedly welcomed by CUSB fraternity during his maiden visit to the University on 25th March, 2019. We are quite fortunate to have Dr. Thakur as the Chancellor who is a multifaceted personality having a vast experience in academia especially medical science. We are confident that under his experienced advise the development of the University shall be further accelerated.

The year remained quite happening in various avenues and full of achievements for the University. The enrolled students and research scholars in various programmes had given their best in Academic curriculum to maintain the University's vision of 'Academic Excellence'. Students of the University represented their Alma Mater at various platforms in extra co-curricular activities and brought laurels. At the same time, many bright students got job placements and cracked prestigious government jobs like PSC, cleared NET, JRF exams etc. and also became recipient of scholarships and fellowships. The faculty members besides giving their best in pedagogics and guiding their research scholars also kept themselves engaged in enhancing their skills and knowledge by participation in conference, workshops, refresher courses, etc. They also got their articles and papers published in reputed national and international journals, books and magazines. These achievements have been summarized and shared in this edition of Annual Report.

In this period the University also witnessed fast infrastructure development and new buildings of School of Education and Guest House are almost in final stage. Meanwhile, the University also succeeded in getting funds for construction of new buildings such as staff quarters, 600-bed hostel, health centre and central library. Likewise, with high hopes to witness a bright future for the University in the coming years both in academia and infrastructure I am concluding here and expecting for best wishes from all.

# Message of Registrar

It was a great feeling to join the Central University of South Bihar (CUSB) on 29 th August, 2019. In a very short span of time I could observe the various facets of the University. I found the impressive balance of academia and co-curricular activities in the University. On the other hand the 300 acres campus and the infrastructure development is equally praiseworthy. The University with experienced faculty members, the state-of-the-art laboratories with finest collection of instruments, the well-staked library with collection of over 25,000 books, journals, etc. altogether impressed me a lot.

Under the abled leadership of Hon'ble Vice-Chancellor Prof. H.C.S. Rathore the University has well-groomed and ranked among the best Higher Educational institutions of the region as well as country. It's my turn to give my best contribution for the growth and development of the University. In fact, since the day of my joining I am trying to give my best and adding up more into the progress and all round development of the University. The zeal and enthusiasm would continue, and most probably in the coming time we will have more success stories to share with the outside world.

Lastly, I would like to appreciate the Editor and Editorial Board of the Annual Report for taking the painstaking task and compiling the year-long report of the University in brief. I wish the University and entire University fraternity comprising of officers, staff, faculty and students all success.

  
Col. Rajiv Kumar Singh (Retd.)

The School of Earth, Biological and Environmental Sciences (SEBES) comprises of four (4) departments namely (i) Department of Biotechnology (ii) Department of Bioinformatics (iii) Department of Life Science & (iv) Department of Environmental Science.

### Department of Biotechnology

#### Brief Profile of Faculty Members

| Name                | Designation                | Highest Qualification                      | Specialisation                      |
|---------------------|----------------------------|--|-------------------------------------|
| Dr. Rizwanul Haque  | Associate Professor & Head | Ph.D., Jamia Hamdard University, New Delhi | Immunotoxicology, Stem Cell Biology |
| Dr. Rakesh Kumar    | Associate Professor        | Ph.D., IIT Delhi                           | Biopolymers and Bio-composites      |
| Dr. Nitish Kumar    | Assistant Professor        | Ph.D., CSIR-CSMCRI, Bhavnagar, Gujarat     | Plant Biotechnology                 |
| Dr. Krishna Prakash | Assistant Professor        | Ph.D., JNU, New Delhi                      | Molecular Biology                   |
| Dr. Jawaid Ahsan    | Assistant Professor        | Ph.D., NCBS (TIFR), Bangalore              | Neuroscience (Drosophila model)     |
| Dr. Antresh Kumar   | Assistant Professor        | Ph.D., JNU, New Delhi                      | Membrane and Infection Biology      |

#### Faculty Achievements / Activities

**Dr. Rizwanul Haque**, Head (Associate Professor)

##### Conferences / Other Achievements / Activities:-

- Acted as Advisory committee member in 'National Conference on Alternatives to Animal Experiments' (NCAAE-2018) Jamia Hamdard, New Delhi on November 27, 2018
- Served as an Examiner for MSc. Biochemistry practical viva exam, Dept. of Biochemistry, Banaras Hindu University on December 5, 2018
- Served as Examiner for Ph.D viva-voce examination in the Institute of Nuclear Medicine and Allied Sciences, DRDO, Delhi and Bharathiar university, Coimbatore, Tamil Nadu on December 11, 2018
- Served as an External Expert to evaluate the examination of MS. Pharma Biotechnology students of NIPER, Hajipur (Project defence: 2016-18) in July 2018

##### Projects / Research Grants:-

- Received a grant of Rs. 32 lakh from Science & Engineering Research Board (SERB), 2018-2021, for the project title: "Mechanism of Telomerase Regulation in Response of Arsenic in Liver Cancer"

#### Faculty Achievements / Activities

**Dr. Pradhan Parth Sarthi** (Associate Professor)

- Elected as President, Indian Meteorological Society (IMS), Bihar, the headquarters of national body is in Mausam Bhavan, New Delhi and it has chapters in the each states. The society works on the Advancement of Meteorological and allied sciences in all their aspects, Dissemination of the knowledge of such sciences both among the scientific workers and among the public.
- Invited as Chief Guest is the farmers' awareness programme on the topic "weather and climate based agromet advisory services" at Karjon village, Dist.- Kaimur (Bihar) on 29th June, 2018. The programme was funded by Ministry of Earth sciences, New Delhi and organised by a local NGO based on the guidelines given by the ministry.
- The research on Drought Conditions of the Agro Climatic Zones of the Gangetic Plain, arises due to significant deficiency of summer monsoon season rainfall for abnormal periods in reputed Journal of Pure and Applied Geophysics (Springer International Publishing). This accepted research work was focused over the agro climatic zones of the Gangetic Plain of India.

#### Students' Achievements:

- The research of Mr. Archisman Barat, a Doctoral Research Scholar of the department under the supervision of Dr. P.P. Sarthi on the Urban Heat Island (UHI) conducted for major cities over the entire Gangetic plain, in which cities of Bihar showed an alarming situation was published in prestigious Asia-Pacific Journal of Atmospheric Science by Korean Meteorological Society and placed in the official records of NASA, Harvard University, and US Federal Govt. science website.

## 2. School of Education

The School of Education is honoured by the Ministry of Human Resource Development, Govt. of India under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) Scheme is a centre for quality assurance in Learning, Pedagogy and Assessment. In addition to these, the School is presently running two centres, namely (i) Centre for Learning and Pedagogic Studies and Centre for Assessment and Evaluation & (ii) National Resource Centre for Education under PMMMNMTT Scheme. The School is presently having one department i.e. Department of Teacher Education which offers Four-Year Integrated B.A. B.Ed., Four-Year Integrated B.Sc. B.Ed., M.Ed. and Ph.D.
