Prof. Durg Vijai Singh, Chairman and Convenor of BoS and Head of the Department of Biotechnology welcomed and introduced all members of the BoS. The members discussed the following points and made recommendations as follows.

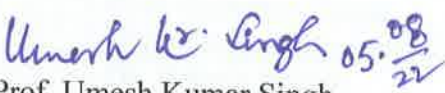

- 1) The existing and modified syllabus of M.Sc. Biotechnology and Ph.D. Biotechnology prepared as per NEP-2020 were placed before the BoS members for their suggestions.
- 2) Members of BoS thoroughly reviewed the existing and modified syllabus and agreed on the modified structure of the M.Sc. Biotechnology and Ph.D. Biotechnology prepared as per NEP-2020 and provided inputs wherever needed.
- 3) The number of credits was made 80 and was unanimously agreed by the BoS members. The BoS members stated that the proposed syllabus with 80 credits is designed as per the NEP-2020.
- 4) All the suggested changes proposed by the faculty council of the Department of Biotechnology, students and other stakeholders were reviewed, modified and incorporated in the syllabus and prepared according to NEP-2020.
- 5) The modified approved syllabus of M.Sc. Biotechnology and Ph.D. Biotechnology will be implemented from 2022-2023 batch onwards after approval by the Academic Council and other appropriate body of the University.
- 6) The BoS member authorize the Chairman and Convener to incorporate the changes in the course code and suggestions made by the BoS members and as per direction of NEP Task Force of the University.

The meeting ended with vote of the thanks by Chairman and Convener to all members of BoS for attending the meeting and making it a success.
